

COMMISSIONERS' PROCEEDINGS

Regular Meeting
Ritzville, Washington

February 15, 2006
(Wednesday)

Call to Order @ 9:00 a.m.

Present:

Vice-Chairman Roger L. Hartwig
Commissioner Jeffrey W. Stevens

Absent:

Chairman Rudy Plager (Meetings with Congressional leadership in Washington, D.C.)

[9:01:03 AM](#)

Courthouse Telephone System

Prosecutor Flyckt along with Central Services Director Cantrell discussed procedures and requirements for telecommunication purchases under the US Government GSA contract. Following review, Prosecutor Flyckt decided to refer the matter to Deputy Prosecutor Strohmaier to further research and draft the necessary agreements and/or contracts.

Superior Court Clerk

Superior Court Clerk Gibler submitted her resignation as Superior Court Clerk effective May 31, 2006. The Republican Central Committee Chair will be notified by letter and requested to convene for purposes of submitting a list of eligible candidates for Board consideration and appointment.

Clerk Gibler reiterated her request to convert the part-time position to full-time status. The matter was tabled until a full board was present to discuss the request and make a decision.

[9:58:05 AM](#)

Herbicides/Residuals

A recap of the herbicide/residual bids was reviewed in terms of product and cost. Craig Ulleland explained the rationale for product selection. A residual chemical history was provided.

Commissioner Stevens moved, Hartwig seconded, to *award the bid as recommended on the spreadsheet presented by the Public Works Department staff to both bidders - Wilbur Ellis Co. and Helena Chemical Co.* **Motion carried.** The spreadsheet notes the chemicals that will be purchased from each company and is on file in the Commissioner's Office as well as the Public Works Department.

Bench Road

Engineer Johns and Assistant Engineer Yaeger reported that a portion of Bench Road will be closed in March to facilitate the modifications to the drainage crossing in preparation for the major road construction scheduled to begin in April. Contact and discussions with local citizens in the area as well as schools and emergency personnel continue in order to assist citizens during the construction phases.
