

## COMMISSIONERS' PROCEEDINGS

### Regular Meeting

Relocated to

**Hatton, Washington**

**May 17, 2006**

(Wednesday)

**Call to Order @ 9:00 a.m.**

**Present:**

Chairman Rudy Plager  
Vice-Chairman Roger L. Hartwig

**Absent:**

Commissioner Jeffrey W. Stevens

**Emergency Management**

**Authorization by consensus** was given to Emergency Management Director Weise to pay professional services charges on a recently completed project even though the revenue/expenditure had been inadvertently left out of the 2006 budget. Costs are reimbursed under a contract via Homeland Security and the revenue/expenditure will be included in the next budget amendment.

**Town of Hatton**

Undersheriff Fuhr addressed issues raised by local residents regarding 911 calls from cell phones and the ability for the system to locate the originating call(er); addressed the Town's 'curfew' and enforcement of same; reviewed procedure to dispose of 'junk cars'; and, addressed legal action by residents to handle 'dogs at large' problems.

**County Courthouse/County Services Building**

Director Todd O'Brien reported that the 'chiller' in the courthouse cooling system was being handled by Johnson Controls and the system should be up and functioning by days end. The Board discussed options for handling cooling within the County Services Building until the move is scheduled. Technicians are due at the facility on Friday and final decisions will be made at that time to address the next few months.

Rock placement services and associated costs were reviewed with authorization given to proceed with the project at the County Public Services Building.

**Solid Waste**

Director O'Brien, Engineer Johns, and Solid Waste Manager Wiltse reviewed additional options for solid waste transfer station operation and solid waste transport and disposal. Further discussion was scheduled for Monday, May 22, 2006.

**Adjournment @ 12:00**

Submitted:  
s/Linda Reimer, MMC  
Clerk of the Board

Edited and Approved:
