He also noted that he has been able to reuse the 'chips' for the wind towers thereby reducing yearly costs. Krug reported on his meeting with the City of Othello Administrator and the Othello Chamber Manager as part of his relationship building venture.

The Board discussed potential permanent building inspection services for the City of Ritzville and reviewed the possibility of hiring an assistant building inspector.

Planning Commission

Director Wiltse reported that calls had been received regarding zoning concerns and that the Planning Commission expects to hear these concerns on an individual basis and will take action based upon each case. This option is not intended to be an on-going process following the initial hearing of the matter.

Juvenile

Administrator Gowan discussed the 2005 Juvenile Justice Report and noted Adams County's statistics during that time frame. Juvenile crime continues to be down during the current year with a temporary spike in September due to a situation involving out-of-state youth.
