

## **COMMISSIONERS' PROCEEDINGS**

**Adams County Services Building, Othello  
December 9, 1998**

The Adams County Commissioners met in regular session at 9:00 a.m. on Wednesday, December 9, 1998, in Othello, with Chairman Schlagel and Commissioners Wills and Logan present.

Building and Planning Director Caputo presented the board with a copy of the final Scope and budget for Shapiro and Associates and the sub-consultant on risk, safety, and risk response related to the Olympic Pipeline Project. Shapiro and Associates will review the application and EIS and provide the county with a list of topics which require additional mitigation, plus obvious required mitigation.

In other business, Caputo noted that she would be discussing with Fred Huron, EWU, regarding the contractual arrangement for an intern(s) to assist with land use inventory after the first of the year; that the Task Force is working on recommendations for inside the Panhandle area but outside the Urban Service Area; and, provided an update on the needs assessment being conducted by the Housing Resource Team.

The board reviewed some pending contracts and discussed employee compensation packages preliminary to the public hearing on the 1999 budget.

There being no further business to come before the board the meeting adjourned at 10:30 a.m.
