(Wednesday)

Call to Order @ 9:00 a.m.

Commissioner Jeffrey W. Stevens

Chairman Rudy Plager

Juvenile Court

Administrator Gowan reported on the recent audit of the A.R.T. Program and noted the recommendation from the Quality Assurance Specialist Christopher Hayes to consider enhancing the program by contracting with a CJAA recognized ART Trainer. Training for the new trainer would be at no additional cost to the court. This enhancement would facilitate using the entire grant allocation rather than turning back some of the funding. Board **consensus authorized Gowan to explore the program enhancement concept and report back as soon as details were available.**

Dave Gowan reported that local men's groups were assisting with graffiti removal in the community. June 15 and 16 youth required to complete community service will be focusing on graffiti removal.

Sheriff's Department

Sheriff Barger withdrew the department's request to apply for funding for an INET officer citing a short time frame to meet the deadline; and, for securing a copy of the application and rules/regulations per Board request.
