#### Adams County Fair Association

Representatives of the Fair/Livestock Committee (Roy Dodge, Brad Boersma, and Dan Lynch) met to express their wish to have a full time caretaker for the fair grounds especially during scheduled events.

Concerns were expressed as to who would be available to respond to problems (power, water, campgrounds) as they occurred throughout the Fair.

Facility Manager Sackmann scheduled a walk through of the fairgrounds with Association members for Tuesday, August 18, 2009, beginning at 9:00 a.m. in an effort to flag potential problem areas. A list of areas needing attention prior to the September 12 was presented. There was some discussion of the problems that occurred during a recent Angus Show.

Dates for the next Association meetings were identified as August 25, September 8 and September 12.
