Public Defense

David DeLong, Public Defense Services Manager for the Washington State Office of Public Defense, discussed conflicts with the RCW noted in paragraph 6 of the county's 2010-2013 Public Defense Contract. Even though the county is not operating in conflict with the RCW, the State Office recommended that an addendum to the contract to detail specifically how the additional attorneys are being compensated would be advised. An addendum would not constitute a "contract reopener" for the county. A sample addendum was presented and the Board will review and discuss with the county Public Defenders.

Jail Inspection

The Board conducted the third quarter jail inspection.
