Port of Othello Commissioners Terry Thompson and Kenny Schutte; along with Port Director Doyle Palmer, met with the Board for a discussion on the proposed Industrial Wastewater Treatment Plant to be located at Bruce. Additionally present was Economic Development Director McFadden.

The planned steps for Phase 2 of the project were reviewed which include the release of a RFQ. Director McFadden does not recommend moving forward in the process prior to the Legislature acting on the Capital Budget in the event Adams County is able to secure a level of state and federal funding. The Board, as well as Port Commissioners Thompson and Schutte, concurred with Director McFadden's recommendation of not moving forward until funding is secured.
