City of Ritzville Request for Paths and Trails Funds

Ritzville Mayor Linda Kadlec requested \$36,612 from the Paths and Trails Fund to complete the Walk and Bike Path, Phase #2 from Jackson Street, which abuts the County Weber Road, to Division Street at Bauman Street.

Commissioner Stevens requested the City of Ritzville annex the right of way area of Weber Road, specifically that portion that is currently maintained by the county. The annexation would include approximately 60 to 70 feet of roadway making the maintenance of the entire road the responsibility of the City of Ritzville and would eliminate the need for

Adams County to maintain such a small section of the road. Mayor Kadlec will present the annexation request to the Ritzville City Council and report back to the Board.

This matter is scheduled for further discussion on March 19, 2014.
