Integrated Health Care Services

The Adams County Health Department 2013 Annual Report was presented by Director Guse and her staff.

Guse reported on the following:

- Adams County Health District's revenue and funding sources
- State Revenue and Expenditure report for 2013

Callie Moore, Nursing Director, presented the ten (10) essential services the Adams County Health Department provides as well as an overview of the following:

- emergency preparedness and response
- assessment
- communicable disease/outbreak and investigation
- ABCD Dental
- vaccine/immunization oversight and management
- access to care
- maternal/child health programs
- prevention and health promotion

Brent Stenson, Environmental Health Director, reported on services provided by the Adams County Health Department regarding environmental health issues including:

- food protection
- on-site sewage disposal/land development
- drinking water
- living environment focusing on public swimming pools
- school inspections
- solid waste
- disease causing vectors
- animal bites

A copy of the 2013 Board of Health Report was condensed into a summary booklet for distribution to the public.

Stacy Cutter, Environmental Health Specialist, presented the Adams County Health Department Client Satisfaction Survey results for Spring, 2014.
