Economic Development

Director McFadden provided the Board with an update on his activities and meetings he has attended from August 28 through September 9, 2014.

McFadden reported he met with Columbia Basin Railroad CEO Tim Kelly regarding the spur line that services Gavilon Grain at Schrag. Assistance is being sought for the rehabilitation of the 3,800 feet of rail that is directly located at the elevator site. The Board, ***by consensus, authorized McFadden to move forward with a grant application to CERB for rail line rehabilitation project funding.***

Emergency Management

Director Weise reported on the following:

- Hazmat Plan Review
- Radiological Emergency Planning Exercise Evaluators Training
- Columbia Generating News Release Drill
- Conducted a Site Review for Crop Production Services
- Local Emergency Planning Committee Meeting

Director Weise also reported that he will be attending the Washington State Emergency Management Association conference in Spokane as well as animal decontamination training and a food control drill.

Adams County Mosquito Control Board

Manager Tom Haworth provided an update of the activities of the Mosquito Control Board.

[10:44:38 AM](#)

Building and Planning

Director Wiltse met with the Board to discuss the criteria for Adams County water bodies to be included in the Shorelines program.

Wiltse feels Rodeo Lake does not meet the size criteria at this time, however it will be calculated by a consultant and submitted to Department of Ecology.
